

## ***GUFC Policy Guidance – Senior Players Officiating Rebate***

### **Purpose**

---

This document outlines the procedures to allow senior players to receive a rebate on their registration costs if they act as the Referee in a game where capital football has not allocated a qualified official. This applies only to the Referee and not to any assistant referees.

Any queries should be directed to the GUFC Secretary at [secretary@gungahlinunitedfc.org.au](mailto:secretary@gungahlinunitedfc.org.au).

### **Scope**

---

These guidelines form a policy that has been formally ratified by the GUFC Committee. As such the policy applies to all Senior Club Members (18+) which includes all players, officials and agents as well as the parents and legal guardians of players under the age of 18 years in such competitions.

### **General Rule and Process**

---

In accordance with Capital Football Competition Regulations 6.3 Gungahlin teams **MUST** provide a match official for every home game where Capital Football has not appointed one.

Gungahlin United recognizes that in most circumstances this will be a player or family member. As such Gungahlin United will issue a rebate of \$25 per game to players who volunteer to act as a Referee. This is to offset the registration cost lost as a result of being unable to play.

To be eligible for payment each team **MUST** nominate 2 registered players who could perform the duties of Referee when required. Both of the registered players **MUST** attend a Referee Education Seminar that will be presented by GUFC with help (where available) from the Capital Football Referee's department.

GUFC will Issue for each team a whistle and card wallet for use by the referee.

There is a cap of 5 matches per player which will be paid to any individual nominated (A GUFC member). This is to ensure that no single person will miss all home matches throughout the season.

This rebate is only applicable to matches where Gungahlin is listed as the home team and does not apply to assistant referees.

Should the volunteer be a spectator, the rebate will be passed on to a nominated player.

### Payment

---

Players who wish to nominate to receive the rebate must notify either the GUFC Secretary or GUFC Seniors Coordinator, this can be achieved via BOTH the match card and an email/phone call to identify the match, and provide their bank details for payment.

Payment will be made once a month into the nominated bank account for players who seek the rebate.

Payment will be made to players who officiate a game for another GUFC team (IE: a 1pm team helping out a 3pm team and vice versa) however the game cap limit does still apply.
